Carrie Kidd, Executive Director  
Harmony Hope, Inc  
706 Main St.  
Mount Hope, WV 25880

Dear Ms. Kidd,

On behalf of the City of Mount Hope, WV, I am pleased to provide this Letter of Support for Harmony for Hope, Inc. and its Mount Hope Heritage & Visitor Connectivity Pilot, developed in partnership with Kidd's Technical Services.

The City of Mount Hope recognizes the public value of this initiative.

The City of Mount Hope supports:

- Harmony for Hope's development of the Mount Hope Heritage & Visitor Connectivity Pilot as a community-led heritage and connectivity initiative.
- The use of this letter in grant applications for federal and state funding agencies.
- Harmony for Hope's partnership discussions with New River Gorge National Park and Preserve and tother corridor communities.
- Continued exploration of Mount Hope as the anchor community for the pilot corridor.

The City is willing to participate in further conversations regarding site-specific implementation details if and when project funding is secured , subject to all applicable municipal review, permitting, and approval processes.

This letter does not obligate the City of Mount Hope to provide financial support, authorize the installation of infrastructure at any specific location, waive any permitting or regulatory requirements, or commit the City to any contract or operating agreement. All implementation details would be subject to normal City review and approval.

We believe this initiative reflects the kind of community-led investment in heritage, connectivity, and economic opportunities that Mount Hope and the New River Gorge region deserve. We look forward to seeing this project advance.

Sincerely
